2. AGE GROUPS:

- The event is open to all athletes who will be between the ages of 16 and 19 years as at December 31, 2019

3. EVENT CLASHES:

If an athlete is likely to be competing in another event at the designated marshalling time, the Team Manager must notify the Technical Staff (located in main athletics office) of this 1 HOUR before the event is scheduled to begin. A "Clash of Events" notification sheet will be filled out for the athlete to take to the Call Room with a copy for both event Officials. Athletes will be escorted by an Official to their next event. Events will not be held up where clashes occur. Failure to compete due to the clash of events will not be grounds for appeal or protest.

4. CALL ROOM:

Athletes will be required to be in the Call Room located near the 100m start line

- **Field events –25 minutes**
- **Track events – 15 minutes**

prior to the event start time. Athletes will be taken by an Official to their event site.

All athletes are deemed to be confirmed. Team Managers are encouraged to make scratchings as soon as possible. This should be done by the Team Manager at the Main Office, no later than **one hour** before the scheduled starting time of each event. After the close of confirmation for each event, heat allocations and lane draws will be conducted for those events.

6. SCRATCHINGS:

If an athlete fails to scratch from an event by the time required under Regulation 5 above or does not compete in all rounds of an event for which they have qualified, they may not be permitted to compete in any other event/s in the championships, including relays (IAAF Rule 142.4).

7. WARMING UP:

Athletes will be able to warm up on the main arena up to 45min prior to the start of the first event of each session. After this, athletes will be able to warm up on the back straight or the grassed area near NT Gymnastics adjacent to the stadium. When warming up on the back straight, all athletes need to be aware of when circular events are being conducted and move off the track to allow these events to be conducted.

8. PHOTO FINISH AND RESULTS ROOM:

Photo Finish and Results Officials and Competition Management are the only personnel permitted to enter. **Athletes and/or coaches are not permitted to enter this area, unless requested to enter and accompanied by a Team Manager.**

- 2 heats: first 3 per heat plus next 2 fastest to final

Womens 400m first 2 athletes in each heat + next 3 fastest

The 'next fastest' will be decided on times. If a tie still remains, times will be read to .001 seconds. Any remaining tie will be resolved by a coin toss between the athletes.

Reserves will not be placed in finals where a withdrawal occurs.
